Postlude

We welcome you to our service today. As Archbishop William Temple so eloquently stated some years ago.... ***"For to worship is to quicken the conscience by the holiness of God, to feed the mind with the truth of God, to purge the imagination by the beauty of God, to open the heart to the love of God, to devote the will to the purpose of God."***

We pray that the truth of God's Word and the celebration we participate in today will invoke the same spirit of worship in you.
